

B.C.S. B U L L E T I N - Boys to Old Boys - Number 1 - Oct. 10, 1941.

BY WAY OF EXPLANATION This bulletin is designed to keep B.C.S. Old Boys who are overseas on Active Service in touch with the school. It will be issued at fairly frequent and regular intervals, and is compiled by boys of the upper School.

We can only guess at what will interests you, and in some cases we can only guess at your address. If you want to get the bulletin regularly send us a card with your complete mailing address. Tell us what sort of news you want to hear about the school, and you will get it. If you can add uncensorable items of information, about the doings of yourself and other Old Boys overseas, then we will be able to run Old Boys' Notes which will probably interest you more than anything else. If you meet any Old Boys who are not receiving this bulletin and want it, tell them to send us their addresses, as our mailing list at starting is not complete.

In this first issue we limit ourselves to the Rugby Team and a few beginning-of-term items.

THIS YEAR This year Leslie Davis is Head Prefect, while the other Prefects are Ian Sewell, Bob Powell, Bob Cockfield, and Trevor Evans. The Head Boys are Dave Williamson, Dave Landry, Jake Fisher, Sherman Holley, Brian Lynn, Gerry Macdonald, Dave McLimont, and Ted Sheppard. Ian Sewell is Cadet-Major and Football Captain.

There have been quite a few changes in the school. The fagging system is one of these changes. New-boys no longer work for individual fag-masters as in the past, but on school jobs and batmen for officers of the Cadet Corps Punishment Drill has given place to Fatigues, when offenders work at tasks that need to be done around the School, mostly on the grounds. Twice a week in the afternoons boys do odd jobs such as wood-cutting, coal-heaving etc. instead of football. Some of these are detailed to work on the new Recreation Room, a separate building on the slope overlooking the 1st Crease football field, near the Power House.

Mr. Holden, for three years a master in the Prep, has just been commissioned in the R.C.A.F.

On Sunday, Oct. the 5th., the Special Platoon of the Cadet Corps paraded with the Black Watch in Montreal. From the armoury on Bleury St. they marched to a service in the Church of St. Andrew and St. Paul.

FOOTBALL This year's rugby squad is being coached by Oggie Glass, and it promises well, if the results of the first two games of the season are any indication. These two games were exhibition matches played against Sherbrooke High School. In the first game, played at B.C.S. on Saturday, Sept. 27th., the score was 16 - 0 for the School. On the following Wednesday in Sherbrooke the School drove hard to make the score 41 - 0. The team is slightly lighter than those of previous years, but it makes up what it lacks in weight by formidable tackling ability throughout the whole team. However, the linemen are no babes in arms, and the backfield is really fast. The running signals used by our teams for some years have given place to huddles, but a number of plays from running signals are retained to be used when opportunity offers. There are some seven matches ahead of us on the schedule. At the moment the line-up is Sewell, Lemieux, Sheppard, Evans, Price, Jenkins, Colin Stairs, Lynn, Williamson, Jake and Ned Fisher, with Morkill, Horniman, Day, Rowe, Hunt, Lorimer and Landry as subs.

Compiled by Dave Landry, Sherman Holley, Ivan Childs.
